Welcome

It is with great enthusiasm that we invite you to this unique collaborative meeting, bringing together clinicians and scientists from developing countries, the local transplant community from South Africa as well as international participants and patients involved in the World Transplant Games.

South Africa, as one of the leaders in the field of transplantation in Africa, is ideally situated to host this very important meeting and build relationships with other African countries with developing transplant programs. The first two days will be dedicated to this program followed by three days of exciting abstracts and talks with exceptional guest speakers from around the world.

Durban is a vibrant, multicultural city in South Africa with a tropical climate and ideally situated to host this event. During this meeting new alliances will be formed in order to help build a better future for transplantation in Africa

Dr Elmi Muller

Congress Chair

President: The Southern African Transplantation Society

Conference Venue

The 25th SATS Congress will take place at the Southern Sun Elangeni Hotel, Durban, South Africa.

Breath-taking views over Durban's Golden Mile can be appreciated from the comfort of your room at the [Southern Sun Elangeni Hotel](#).

Renowned for fine service, excellent food and reputable hospitality, this hotel is a preferred destination for both business travellers and holidaymakers wanting the space and comfort of home, right at the sea.

Situated on [Durban's Golden Mile](#), the hotel is two hundred metres from the beach and the warm waters of the Indian Ocean. Offering easy access to local landmarks, golf courses, entertainment for the family, shopping malls and the Durban CBD, Southern Sun Elangeni is the ideal destination for business travellers wanting the best of business and leisure.

The city of Durban, in the province of KwaZulu-Natal, situated on the subtropical East Coast is South Africa's third largest city and is a prime tourist destination in Southern Africa. The city surrounds Durban Bay, the busiest port in Africa and the world's ninth largest. Superb air and land transport infrastructure exists, with many of the major international airlines flying directly to South Africa. Durban is nestled on the coast of the warm Indian Ocean with golden beaches, parks, museums, theatres and world class shopping malls.

Durban's subtropical weather is sultry in summer and mild in winter. Durban is noted for its rich cultural diversity, and delegates will be greeted by a kaleidoscope of amongst others, Indian, Colonial and African traditions that have prospered in the city and given rise to a wide variety of cuisine, restaurants, arts and crafts, and ethnic dance forms. Within a two-hour drive from Durban, delegates can be on safari at a game reserve, visiting traditional Zulu villages, hiking or trout fishing in the majestic Drakensberg Mountains.

Organising Working Committee: Dr Elmi Muller (Congress Chair), Alexia Michaelides (Secretary), Fiona McCurdie
